

**STENBERG
COLLEGE**

JOB POSTING

Company: Stenberg College	Location: Alberta Region
Status: Contract Employee (Part time)	Shift: Listed below (varies)
Job Category: Venipuncture Lab Instructor(s) – Cardiology Technologist Program	Contact Info: jacquies@stenbergcollege.com
Education Level: Medical Lab Technologist	Relevant Work Experience: 5+ yrs

Description:

Stenberg College is currently looking to hire passionate, Medical Lab Technologists to take on the role of Venipuncture Lab Instructor(s) within our Alberta based Cardiology Technologist Program. This person would be responsible for delivering the lab instruction in the area of venipunctures to our students. Instructors will be provided with specific evaluation tools to use in their assessment of student competency. A thorough orientation would take place prior to stepping into the lab/teaching environment.

We require someone with a minimum of 5 years work experience as a Medical Lab Technologist. Previous supervisory and/or training experience is an asset. An openness to participate in Stenberg's online Instructor Development Certificate Program is mandatory.

The immediate teaching dates & courses that we are looking to fill are as follows:

Venipuncture Labs February 13 – March 9, 2012 (10 hours per week)

If you are passionate about sharing your knowledge, skills and abilities to future Cardio Techs then we want to hear from you. Please email cover letter and resume to jacquies@stenbergcollege.com.
