Dear Mr. Leduc:

Thank you for your recent letter and supporting documentation detailing the Alberta Society of Registered Cardiology Technologists' application for regulation of cardiology technologists under the *Health Professions Act*.

I will need time to analyze your application and to decide whether to ask the Health Professions Advisory Board to conduct a formal investigation in this regard. I will inform you once I have made a decision.

We are working to finalize the regulations of health professions currently scheduled to be regulated under the *Health Professions Act*. As a result, I cannot commit to a specific time to complete the review of your application. In the interim, if you have any questions regarding the status of this application, please contact Ms. Karel Bennett, Director of Health Professions within my department, at 780-415-0231.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ron Liepert', written over a white background.
